

We see a world that works for everyone.

January 2026

In 2026, we are embarking on an inspiring journey through the world's great spiritual tradition, each explored through the lens of Science of Mind. From January's return to our own foundational teachings to December's year-end refresh, we will visit Islam, Baha'i, Christianity, Buddhism, Taoism, Native American wisdom traditions, Paganism, Judaism, Hinduism, and Sikhism.

Theme for the month: Science of Mind

January 4 – Russ Legear – “The Thing Itself”

January 11 – Edward Viljoen – “The Way It Works”

January 18 – Edward Viljoen – “What It Does”

January 25 – Edward Viljoen – “How To Use It”

Presented by singer-songwriter Astra Fox, the Joyful Frequency Song Circle is a welcoming monthly gathering where participants sing simple, uplifting songs that inspire connection, joy, and personal transformation. Open to all ages and experience levels, this circle offers a fun and empowering space to explore the spiritual practice of singing affirmative songs. These songs serve as musical affirmations, anchoring positive truths into your mind and body while building community through music. In January, the circle will be on **Thur., January 8, 2026**, 6-7:30 pm and for the rest of the year on the first Thursday of the month.

After Service Prayer

Practitioners are available for one-on-one affirmative prayer in the sanctuary after both morning services. You may also pray with a practitioner on Zoom at 10 am. The Zoom link is <https://cslsr.org/zoom-prayer/>
