DR. EDWARD'S CLOSING PRAYER

Know with me that you are never alone, that Spirit is where you are, that you have only to look within at any moment to know that you are guided and inspired by a Presence that expresses Itself in this world as you. With deepest gratitude, let us live our lives accordingly so that in everything we do, say, and think, we honor that Presence within. And so it is.

Thank you for your patience, understanding, and continued support during this time of social distancing.
