## *When Are We Reopening?*

The Center looks forward to the time when we can once again open our doors to all of our congregants. We miss being together and look forward to seeing each other again. Before the pandemic, we hosted around 900 people on Sundays at three identical services each week. During the current time of sheltering in place, we have shifted our staff and volunteer resources to online offerings for Sunday services as well as meetings of weekly and monthly groups, all of which are described in the weekly bulletin.

Staff and leadership are monitoring and assessing the situation regularly and will continue to update our community as clarity emerges about our plans. We want to continue meeting the needs of our spiritual family remotely until we can accommodate everyone in our building in a safe way. Nobody can know for certain when that time will be, but it's probably several months away.

Thank you for your patience, understanding, and support.

Continued love and blessings to you.

## *Dr. Edward's Closing Prayer*

Know with me that you are never alone, that Spirit is where you are, that you have only to look within at any moment to know that you are guided and inspired by a Presence that expresses Itself in this world as you. With deepest gratitude, let us live our lives accordingly so that in everything we do, say, and think, we honor that Presence within. And so it is.
