When Are We Reopening?

The Center looks forward to the time when we can once again open our doors to all of our congregants. We miss being together and look forward to seeing each other again. Nobody can know when that time will be, but it is many months away.

For the latest information, visit the COVID-19 Update article on our website:

<https://cslsr.org/covid-19-update/>

Thank you for your patience, understanding, and support.

We love you and we miss you.

Space for Rent

While we cannot meet in person at the Center, we are exploring renting out some of our space. The Center has rented space to other organizations in the past, and it is appropriate now to put our resources to work for us until we can meet again in person.

We are working with a commercial real estate agent to let prospective lessees know that parts of our facility are available for short-term leases to entities that need more space during the Pandemic. We are not selling the building, just offering to rent portions of it. Ideally, we would like to make our rooms available for rent to hospitals, clinics, testing sites, storage space for supplies during the crisis, etc.

If you know of anyone who may be interested in leasing space at the Center, please have them contact

Paul Schwartz, Senior Associate
Corcoran Global Commercial
