Pray with a Practitioner

Connect on Zoom with a practitioner on Sunday at 10 am or 12 noon for a confidential one-on-one prayer. The Zoom link is www.cslsr.org/zoom-prayer. Spiritual Mind Treatment, also called Affirmative Prayer, may be the most precious tool of the Science of Mind philosophy. Simply tell the practitioner what is in your heart, and you will receive prayer to affirm that your desired good is present and available.

Spiritual Coaching

If you have benefited from prayer sessions on Sunday, give yourself the gift of a full, confidential fee-for-service practitioner session via phone or Zoom. Your practitioner supports you by clarifying with you your next step in spiritual growth and applying affirmative prayer to make it so. Contact a practitioner through the online practitioner directory at <https://cslsr.org/members/practitioners/>

Thank You!

During the month of October you are invited to bring to the Center your folded origami paper ornament or prayer love knot along with your 2022 giving intention. You can also mail these items back to us if you received them in our recent mailer. If you prefer to submit your giving intention online, here is the link: <https://cslsr.org/2022-giving-intention/>

Being a Trustee

by Anne Marie Cheney

It all began with a little whisper that said "yes" when a notice from the stage and in the bulletin appeared seeking new members for the Board of Trustees. But I was working and busy and couldn't imagine fitting it into my schedule. The deadline for applications passed and the year rolled by. Again, the announcement was made. This time I picked up an application and read through it. I thought "I'm not qualified enough." Besides, numbers and accounting make me nervous and what special skills do I have, unless they need a nurse, which seemed unlikely. Another year went by. This time, when the announcement was made, I talked to someone at the information table. I mentioned feeling that I didn't have any special skills to offer. She responded by saying, "You have a willingness to serve. That counts." So, I took the application home, filled it out, and sent it in. I never truly thought I would be selected.

When the call came asking if I would be willing to serve on the board, I responded without hesitation. I have now been a trustee for six months and what a ride it has been! Wonderful people to work with and lots to do but everyone does their share. I have been involved with training volunteers so that we could return to in-person services in the face of Covid restrictions. I have worked with other trustees to develop policies to keep everyone safe in these challenging times. My connection to Spirit has become deeper and more alive as we work together. My sense of belonging to something bigger than my own small self has grown. I have seen Spirit in action over and over as we work together to support our Center's growth and development. I'm so glad I said yes!

Is it your turn now?
