

2022 SLATE OF BOARD CANDIDATES

Recommended by the Nominating Committee of the Board of Trustees

Cindy Collins

Jan Davis

Julie Myers

Cindy Collins grew up in Santa Rosa and currently lives in Monte Rio with her husband Roger. She has worked in the Novato Unified School District in multiple jobs and in 2007 started volunteering with the Court Appointed Student Advocate (CASA) program where she helped three sisters navigate the court system so they could return to their mother's custody. Cindy has been a member of the Center since 2016 and has enjoyed taking classes, volunteering in the nursery, and being a member of the choir. Cindy says, "I love the attitude and outlook on life that we are offered at the Center; it makes sense to me and touches my heart. I've always loved and looked out for others with a deep sense of care, concern, and love for all."

Jan Davis has been a member of the Center since 1997 after hearing the message that Spirit is in her just the way she is and just the way that she is not. Jan worked as a computer programmer in the 1960s and spent several decades in the wine industry as an operations analyst and member of the executive team. At the Center, Jan was on the Board of Trustees from 1999-2001. More recently, she was the Center's Chief Operating Officer from 2011 to 2018. Over the years she has volunteered on many teams and currently serves on the Stewardship Team and Giving Intention Team. Jan says, "I love sharing my time, talents, and treasure with this community!"

Julie Myers was born and raised in Berkeley and has also lived in Alaska and Arizona. She has been a volunteer with Make-A-Wish Foundation, Forgotten Felines of Sonoma County, Secret Santa, and Pets Lifeline. At the Center, where she has been a member since 2019, Julie has volunteered in many capacities including as an usher, on the Welcome Team, in the bookstore, and outside pulling weeds. Julie says, "My motivation for serving on the Board of Trustees stems from a renewed passion to immerse myself even further into the practice of The Science of Mind. What would be better than surrounding myself with a committed spiritual community of trustees in service to the Center for Spiritual Living, Santa Rosa?"
