

Board of Trustees

2025 Information and Application Form

***Thank you for considering candidacy for
the Center for Spiritual Living, Santa Rosa Board of Trustees!***

The Board serves an important role in keeping the vision of our community and determining policy that supports its growth.

A former trustee had this to say, “One of the things I love about being a Trustee is seeing all the planning and hard work that goes on behind the scenes at CSLSR. Board members get monthly reports from all the service teams and I’m constantly astounded at the number of vital activities, ministries, groups and services that exist through this Center. It definitely takes a village! As trustees, we also get to participate in visioning for the Center, which I consider a great gift and privilege.

Another thing I love is having the opportunity to work closely with Dr. Edward and the many talented, dedicated ministers, staff, and of course, my fellow trustees. I’ve gotten to know so many people that I might only have said hello to before. Along the way, I’ve made some treasured friendships.

Each Trustee brings their unique perspectives and skills, which help us represent the needs of the whole community. If you feel the nudge to apply to be a trustee or just want to find out more, please follow that hint from Spirit.”

The Board consists of nine trustees, each serving a three-year term, plus our Senior Minister, Dr. Edward Viljoen. Each year three new members are elected to replace the three members who are completing their three-year terms. We are now accepting applications for the three members, who will join the Board in March, 2026.

This document outlines the basic position requirements and expectations for board service, the nomination process and election procedures, including key dates, and the application form.

Applying for a Board position is an enriching experience in and of itself. We invite you to take your time and mindfully explore what Board service may mean to you. When you are ready to apply, please complete the questionnaire included in this document. Submission instructions are included in the questionnaire.

Applications will be accepted through December 2025.
